

How to Find Our Office in The Electric Works

You will find us in the modern office building of The Electric Works, opposite the main Sheffield railway station and adjacent to the bus interchange.

If you use [What Three Words - gather.focus.woven](https://www.whatthreewords.com/) will bring you to the entrance of the Electric Works.

If you are travelling to us by car you will need to find street parking or use the Q Park adjacent to the station. The Electric Works has an arrangement for discounted parking at this car park and will provide you with a ticket to use with your own parking ticket to facilitate the discount. Just ask at reception.

If you arrive by public transport we will refund your fare in line with our climate policy.

We look forward to welcoming you to the office.
